### Thintech can help

At Thintech, our aim is for you to get the most from your Citrix investment which we do by:

- Improving the end user experience
- Ensuring the best use of system resources
- Reducing maintenance overheads
- Improving system security

We are currently offering a free\* Citrix Systems Audit worth £1600. This includes a visit from one of our experienced consultants who will carry out an audit of your Citrix systems and provide you with a detailed structured report of our findings and recommendations.

### Why Thintech?

Thintech are certified Citrix consultants working in this area for over 10 years. We work with clients all over the UK including major banks and financial service organisations.
