

# Business to Business Promotional Services

Need to promote your business?  
Don't have the time? Or the staff?

**B2B can help you!**

## DESIGN

we will review your promotional ideas,  
establish a pitch and write the promotional copy

## PRINT

we will take your pitch and transform it into  
promotional material for both postal and digital delivery

## PROMOTE

we will develop a tailored  
direct marketing approach from your pitch  
*and we even can find potential clients and make the calls for you!*

### Why use B2B Promotions?

At B2B Promotions we keep things simple and focus on what we know; design, print and promotion.

This enables us to provide a fast and efficient - and ultimately cost competitive - service to you and your business.

Our aim to get your products & services marketed to the right businesses with the right message and increase your sales.

**To find out how we can help promote your business now please phone:**
